STATURE (THE DESIGN HOUSE)

Charisse Phillips, known simply as “Charisse” stands 6 feet tall and has a healthy appetite for 3 ½ inch heels. As a former runway model, Charisse has walked the runways from Chicago, Detroit, Cincinnati, Sarasota, to her hometown of Tampa. Charisse’s unique features and approachable smile has allowed her to model for top-notch designers to high-end fashion houses.

Never the one to use her height as a centerpiece, Charisse obtained her B.S. degree in Business Management while working full-time and raising her three sons. After modeling and settling down in the Tampa Bay area, Charisse soon became frustrated with the limited amount of choices that were available to women of her stature. So, in 2006, Charisse launched **Stature**, a clothing line that caters solely to tall women.

Her store carries business to causal apparel with just a hint of sexiness to the mix. In the future, Charisse has plans to add women’s footwear in sizes 10 to 13 (and 14 to 15 for the woman who desire such sizes). No matter how tall you are **Stature** has something stylish for the woman with fashion on her mind. **Stature** is currently available on line at www.statureonline.com and will be available in her store to be located in the Brandon area in early 2008.

The name speaks for itself...**STATURE**
